

THE FRIENDS OF LITTLE WALTHAM PRIMARY SCHOOL

One of the things that Little Waltham Primary School is proud of is its indoor swimming pool. We are pleased to be able to offer all pupils on-site swimming tuition in line with the National Curriculum. To this end, we are very fortunate at Little Waltham to have an active and supportive fund raising committee, the Friends of Little Waltham Primary School.

Any parent with a child at our school is a Friend. The Friends' committee consists of those parents and carers who are willing to offer some of their own time to organise and support the various fund raising activities throughout the year.

The Friends' committee organise various events and activities to raise money to fund the maintenance of the swimming pool and the employment of a qualified swimming teacher. They also support the school in other fund raising events.

The main fund raising event is the Summer Fete. However the Friends organise an exciting programme of varying activities such as:

- Smartie tubes filled with money
- After school craft sessions
- Discos for both Key Stage 1 and 2
- Easter egg raffle
- Christmas hamper raffle.... And much, much more!

What do our children get out of these activities? Well, many like to spend time after school socialising with their friends in a less formal environment.

The committee is always looking for additional members who can offer help in any way. Regular newsletters keep everyone informed of forthcoming events and the ways in which you can help. Please ask the Receptionist or Office Manager if you would like to contact anyone on the committee.
