WELCOME TO LITTLE WALTHAM C OF E PRIMARY SCHOOL

Reaching Potential

Little Waltham Church of England VA Primary School is situated in the pretty village of Little Waltham catering for pupils from 5 -11. We pride ourselves in creating a caring environment based on Christian values which allows children to reach their full academic, social, moral and physical potential. By providing a holistic approach to learning and development we support each child's individual needs.

At Little Waltham your child will receive a broad and balanced curriculum enabling him/her to develop self-confidence, sensitivity to others, empathy and social competence - giving them the opportunity to develop as life-long learners.

Home/School Partnership

An essential part of your child's educational success is the home/school partnership and we value this highly. The school provides regular opportunities to keep you informed about your child's progress and to discuss how you can support your child at home.

The Caring School Community

At Little Waltham Primary School we are proud to have a very strong and professional team of staff who dedicate themselves to the welfare of your child. Staff, governors, parents and members of the village work together to make your child's school career a happy and fulfilling experience.
