Challenge 1

Last night I had 8 and a half hours sleep.
What time could I have gone to bed and what time could I have woken up in the morning to ensure that I slept for 8 and half hours?

Challenge 2

I went to the cinema at the weekend to see Arthur Christmas. The film lasted 1 hour and 45 minutes and there were 20 minutes of adverts. What time could the film have started and finished?

Challenge 3

Yesterday I went up to London with a friend. The journey took 20 minutes each way, and we were in London for 5 hours. On the way home the train was delayed for 15 minutes. How long were we out for? What time could we have gone out and what time could we have got home?
